

## 21. QUIZ COMPETITION ON NUCLEAR AND PLASMA TECHNOLOGY

NPSS/PELS Jt Chapter College Of Engineering Karunagappally conducted a quiz competition with school and undergraduate students .The quiz was themed on nuclear and plasma technology. It was a three level quiz competition. In the first level students competed with their colleagues, the winners moved to the next level where the quiz was inter-college and inter-school. The final level of the quiz was between the school and undergraduate students. The winners were prized with a medal, certificate and reward.
