

## 28. RESEARCH AWARENESS CLASS

IEEE SB CEK in association with IEEE NPSS /PELS SBC CEK conducted a research awareness class for students of 3rd and 4th year of our institution on October 25 from 12:15 pm to 2 pm. Our SB Counsellor Mrs. Sabeena K who is currently pursuing her PhD in Image processing and our advisor Mrs. Haseena P Y were the main Key speaker. Her session was mainly focused on the future developments in the Computer world, the advancement in AI and the areas to which it should be spread and thus enlightening the students to Research fields. 50 students from all the department participated the event.
