

32. ESSAY COMPETITION

PELS/NPSS Jt. Chapter of IEEE Student Branch College of Engineering Karunagappally conducted an essay writing competition on May 11th 2019. The topic for the essay was "RADIOACTIVE WASTE MANAGEMENT".

Undergraduate students from every batch of every department showed up with immense concern. Taking into consideration of the competitiveness we conducted the second level of the essay competition were the winners from the first level to participate. The winners were rewarded with a certificate and a cash prize.
