

2. NPSS/PELS Jt. Chapter Launch

IEEE Student Branch College of Engineering Karunagappally feeling proud on the formation of the new “**Nuclear Plasma Science Society/Power Electronics Society**” (NPSS/PELS) **Jt. Chapter** which the society covers a broad range of technical fields, including plasma science and applications, nuclear power instrumentation and control systems and so on. The student branch had conducted the launch of this new technical Jt. Chapter on 13th March 2019 at the Electronics and Communication Dept Seminar Hall. All the IEEE members eagerly showed their presence on time at the event. The inaugural ceremony was started with a silent prayer as to call upon his almighty’s grace. The Code of ethics to begin the ceremony officially was delivered by our student branch Chairman Mr. Akshay Krishnan. Mrs. Sabeena K (IA/IE/PELS Jt. Chapter WIE Coordinator) our IEEE student branch counselor welcomed our chief guest, fellow dignitaries and the mob to the inaugural ceremony. The presidential Speech was persuaded by our Dean Mr. Ajil Kumar (HOD Mechanical Dept). The inauguration/launch of the technical joint chapter was executed by our Chief Guest Dr. Sanjib Kumar Panda (Associate Professor National University of Singapore) by lighting the lamp in an Indian Custom. Thereafter, felicitations were delivered by Prof. Muhammed Kasim S (Chair IA/IE/PELS Jt. Chapter Kerala) and by Mrs. Haseena P Y (Advisor, IEEE SB CEK). The vote of thanks for the inaugural ceremony were persuaded by our NPSS/PELS Chairman Mr. Akhil Ahammed N. As the part of the event two technical sessions were organized and executed.
